Community Action Partnership of Madera County (CAPMC), a 501c(3) non-profit organization, has dedicated its programs and services to address the needs of the low-income residents of Madera County for over the past four decades. Although Madera County is our primary focus for serving low-income individuals and families, CAPMC has also been awarded funds to expand Head Start services to Regional families in Mariposa County and Migrant/Seasonal families in Fresno County.

CAPMC was established in 1965 as a result of the Economic Opportunity Act (EOA) of 1964. The EOA was signed into law by President Lyndon B. Johnson to support his declaration of an unconditional “War on Poverty”. The act was established to promote school readiness, enhance children’s social and cognitive development by providing educational, health, nutritional, social, and other services to enrolled children and their families. Each county in the United States designated a community action agency to be responsive to the needs of the low-income individuals and families by providing programs and services that assist them in becoming stable and self-reliant.

Since its inception in 1965, our agency has received local and national recognition for implementing creative, cost effective programs to serve the low-income residents of Madera, Mariposa and Fresno counties. As our region continues to grow and change, CAPMC is also transforming itself to best serve those in need. We continue to maintain the financial integrity of our programs to maximize our resources to the greatest benefit of our customers and stakeholders. Some highlights from our 2008-09 Madera Migrant/Seasonal Head Start program are as follows:

- 100% of the children enrolled in the Migrant/Seasonal Head Start program have continuous health care.
- 73% of the children enrolled with a disability were diagnosed during the program year.
- 38 children will be ready to enter kindergarten in the next school year.
- 19% of our current staff are former Head Start parents.
- 90% of our volunteers are current or former Head Start parents.

LETTER FROM THE PROGRAM DIRECTOR

Greetings, from Community Action Partnership of Madera County Head Start Department. This document, includes Fresno Migrant/Seasonal Head Start Annual Report for 2008-2009. The Migrant Head Start Program provides comprehensive, high-quality early education services to low-income migrant and seasonal children and families. Ages served include children from six weeks to five years of age utilizing the center based model of care.

Fresno Migrant/Seasonal Head Start is a Delegate of Community Action Partnership in San Luis Obispo, California. A grant application is submitted annually to the Office of Head Start Region XII. An award letter approving the federal funds is sent to the Community Action Partnership of Madera County to enter into a contract to serve 472 Migrant/Seasonal children in Fresno County each fiscal year.

The 2008-2009 Annual Report provides an overview of the services provided by the Fresno Migrant/Seasonal Head Start program. In 2008-2009 from the months of September 1, 2008 through August 31, 2009, a total of 472 children were provided services in early care, health, nutrition, mental health, family and community services and children with disabilities.

The Fresno Migrant/Seasonal Head Start staff is very proud of its accomplishments and will continue to provide high quality services to children and families. The program depends on a network of community partners and volunteers for support in order to meet the needs of each family. We extend an invitation to the community to visit our centers, observe our children in their daily activities, and meet the staff. Community Action Partnership is committed to providing high quality services to all the children and families served by the program.

Sincerely,

Inez Rodriguez
