WELCOME
Welcome to the Community Action Partnership of Madera County (CAPMC) Child Care Alternative Payment and Resource & Referral Program (APP/R&R). We are a private non-profit agency organized for the expressed purpose of helping people become self-sufficient by providing high level, quality services to the children and families of Madera County.

This is accomplished through coordination, advocacy, as well as with direct and indirect services. CAPMC provides assistance on a non-discriminatory basis extending equal treatment and access to services for children, parents and providers of child care without regard to race, color, creed, religion, national origin, ethnicity, ancestry, age, sex, sexual preference or disability.

To offer maximum support for parents and providers, CAPMC APP/R&R will provide access to the following services:

- Resources and referrals for parents to help them make quality child care choices
- Financial assistance with child care expenses for eligible families
- Professional training, technical assistance and information for providers
- Other social service information, health information and referrals
- Information to parents and providers related to child development

The purpose of this handbook is to give families and providers an overview of the Program and provide information about policies and procedures. The Program is governed by the California Department of Education (CDE) Early Education and Support Division (EESD), Title 5 – Education Regulations and specific requirements or clarification can be cited from this code of regulations. These programs, administered by the California Department of Social Services (CDSS) are state and federally funded.
CHILD CARE ALTERNATIVE PAYMENT PROGRAM: AN OVERVIEW

Child care is an important partnership between parents and providers. Parents and caregivers must work together to develop a warm, caring and responsive relationship as well as a safe environment for children. CAPMC APP/R&R recognizes the importance of their role in helping to provide quality care for children in Madera County.

This Program is designed to make full or partial child care subsidies available to families who demonstrate a need for assistance based on various eligibility requirements, including family size and income. CAPMC/APP contracts directly with the child care provider that the eligible family has chosen, as parents are best able to choose and evaluate child care for their own children. CAMPC’s goal is to help families find the child care setting best suited to their needs.

CAPMC/APP offers eligible families a choice to work with a license-exempt provider or to enroll in any of the following: Early Head Start/Head Start, California State Preschool Programs, private child care centers, a family child care home network, a licensed family child care home, or sectarian care. R&R can provide individualized referrals to licensed homes or centers and counsel parents on how to choose quality care. We encourage parents to carefully interview providers and check references before placing children in their care, as CAPMC APP/R&R cannot guarantee the quality of any provider.

Quality child care is characterized as a warm, caring and safe environment that fosters social and emotional experiences, enriched by interactions between children and adults. Licensed family child care homes and center-based programs are licensed by the California State Department of Social Services (DSS) and must meet standards for health, safety and nutrition. They also provide a nurturing atmosphere that helps meet the multicultural and multilingual needs of children. An appropriate family child care environment allows for emotionally nurturing interactions and facilitates feelings of trust and security. As children grow in the environment, they explore, question and experiment with concepts, thus encouraging problem-solving, self-help skills and language development.

The purpose of this handbook is to ensure parents and providers fully understand the subsidized child care and development service provided by CAPMC. Please read the entire handbook to fully understand the requirements for both the parent and child care provider.
SECTION I: PARENT INFORMATION & RESPONSIBILITIES

Parental Choice Offerings for Parents Eligible for Services—Your Child Care Options

Providers whose purpose is to prepare children for success in school
These programs operate both full-day and part-day. They serve preschoolers, infants and toddlers, and include afterschool programs for school-age children directly funded by state and federal governments. They’re operated in a manner that invests in each child’s developmental progress, supporting their future success in school.

These programs include state-funded early education programs such as Head Start, Early Head Start, Migrant Head Start and other locally administered school readiness programs. They meet licensing’s health and safety standards and employ trained teachers who use effective, developmentally appropriate teaching strategies monitored by their funding agency. Nutrition services for children are also provided.

Providers that comply with health and safety requirements
These programs are licensed family child care homes and licensed child care centers monitored by the DSS Community Care Licensing Division to ensure health and safety requirements. The advantage of meeting these requirements is that children are supervised and hazards in the environment are minimized. Some of these programs may also contain an educational component. It is the parent’s responsibility to evaluate and consider the value of the educational services provided to children.

Providers that are not subject to either educational or licensing standards
License-exempt providers provide flexibility to the parent, a family environment with the same values and culture as the parent, and/or the ability to accommodate non-traditional work schedules. They include but are not limited to: some relative caregivers, cooperative child care programs, some afterschool programs, and public recreation programs. While license-exempt providers do not have to adhere to licensing regulations, if they are not a close relative of the children in their care, they must register with TrustLine and complete a Health and Safety Self-Verification form in order to receive payment from state or federal child care subsidy programs.

Note: The above descriptions are for informational purposes only and not intended to promote preference for any particular type of provider.

Eligibility
Families must meet eligibility requirements based on family gross income and family size as well as need requirements as established by CDE EESD Regulations Handbook, Title 5 – Education.

Program Eligibility Waitlist
The CAPMC/APP Eligibility Waitlist is a database of parents waiting for assistance through the General Alternative Payment Program for subsidized child care, funded by CDE EESD. After an application is entered on to the Eligibility List, the applicant is ranked based on family size and monthly income. When vacancies occur, families with the lowest rank number are contacted first; families are not selected on a first come, first serve basis. All program spaces or certified services are contingent on funding. Families must update their need every six (6) months to maintain an “active” status on the Eligibility Waitlist and must have a working contact phone number with message capability.
CalWORKS Child Care
CAPMC/APP receives funding for CalWORKS families referred by the Madera County Department of Social Services.

Cal-SAFE Child Care
CAPMC/APP receives funding for student-parents referred by their high school or equivalent educational institution.

Child is under Child Protective Services (CPS) or At Risk
CAPMC/APP receives a referral for services from Madera County Department of Social Services, Child Welfare Services or certified professionals.

General Eligibility Requirements
To be eligible for subsidized child care, the family must meet all of the following:

• Be income eligible based on “Total Countable Income” guidelines. Families will provide one (1) months’ worth of documents showing all family income.

• Meet need criteria for child care that precludes the provision of care and supervision of the family’s child(ren) for some of the day. In other words, a parent/guardian in the family is not available to provide care for the child(ren) during the time requested, and supervision of the child(ren) is not otherwise being provided by a school, person or any other entity.

• Need child care due to vocational training leading directly to a recognized trade/profession, employment, seeking employment, seeking permanent housing, or incapacitation.

• Reside in Madera County, California.

• Need child care for children under the age of 13 or for children with exceptional needs between the ages of 13 and 21.
**Need Requirements**

It is the parent’s responsibility to provide all the information and documentation necessary for CAPMC to determine whether the family meets both eligibility and need qualifications. The Family Services Associate (FSA) will indicate what documentation will be needed based on the criteria for services; the family will be certified for child care services only when it is determined that the documentation meets the criteria. Additional documentation may be requested to verify need & eligibility at any time.

**Child is under CPS or At Risk**

In these cases, a parent/guardian provides a written referral from a county child welfare case worker certifying that child care services are a necessary component of the family maintenance/preservation plan with a maximum duration of 12 months. An ‘At Risk’ referral is from a legally certified professional stating that the child is at risk from abuse or neglect with a maximum duration of 3 months.

**Employment**

Documentation shall include the parent’s/guardian’s days and hours of employment. This can include but is not limited to pay stubs indicating days and hours worked and/or an employment verification statement from the employer with an independent telephone and/or fax number to contact the employer to verify hours.

**Self-Employment**

Documentation for self-employment will include a declaration of need under penalty of perjury that includes the description of the employment and an estimate of the days and hours worked per week. To demonstrate the days and hours, a copy of one (1) or more of the following is required: appointment logs, job logs, client receipts, client contact numbers, mileage logs, and as applicable, business license, lease/rental agreements and annual tax returns. To qualify for child care, the parent must be making at least State of California minimum wage.

**Seeking Employment**

The period of eligibility is limited to 60 working days per contract period (July 1- June 30). Services will be based on stated need with no more than five (5) days per week, less than six (6) hours a day and less than 30 hours per week. The period of eligibility starts on the day authorized by CAPMC/APP and will extend for consecutive working days.

Documentation shall include a declaration under penalty of perjury that the parent is seeking employment and shall include the parent’s plan to secure, change or increase employment. Parents who do not find work after seeking work for 60 days will lose their enrollment status.

**Vocational Training**

Vocational training (school) must be leading towards a recognized trade or profession. Services are limited to six (6) years from the initiation of service or 24 units after the attainment of a Bachelor’s Degree. The parent is required to provide documentation from the vocational training institution every session to prove adequate progress is being made. This includes: a current class schedule printout, or a Training Verification Form bearing
the registrars’ stamp, a statement of vocational goal, proof of grades or GPA (a minimum 2.0 is required), or a copy of the most current transcript.

Seeking Permanent Housing
The period of eligibility is limited to 60 working days in the contract period (July 1-June 30). Services shall occur no more than five (5) days per week, less than six (6) hours a day and for less than 30 hours per week. The period of eligibility starts on the day authorized by CAPMC/APP and will extend for consecutive working days. Documentation shall include a declaration under penalty of perjury that the parent is seeking permanent housing and shall include the parent’s search plan to secure a fixed, regular and adequate residence along with when services will be needed.

Parental Incapacity
Documentation must come from a legally qualified health professional stating why the parent is incapable of providing care and supervision for the child(ren), the days and hours needed for child care, and the probable duration of incapacitation. Services shall not exceed 50 hours per week.

Enrollment/Recertification Requirements
State regulations require a formal application and certification for child development services. Parents must sign a Confidential Application for Child Development Services and Certification of Eligibility (Form CD 9600) and will receive written notice of eligibility no later than 30 days from the date the form was signed. Parents must recertify their application every 12 months.

Missed Appointments
CAPMC/APP must be notified prior to the appointment if a family is unable to keep an appointment. All CAPMC/APP staff has voicemail available 24 hours per day seven (7) days a week for messages. Failure to keep an appointment without proper notification may result in denial of services.

Changes to Family Circumstances
The family is responsible to notify the CAPMC/APP Family Services Associate (FSA) of any changes to family circumstances that may affect their eligibility or need within five (5) calendar days. These changes can include but are not limited to: family income, family size, employment, school change, marital/relationship status, address, phone number, or need for services. Reported changes that modify the reimbursement rate and/or family fee will go into effect the first of the following month.

Notice of Action (NOA)
A NOA is a legally binding document stating decisions and/or changes to the family’s participation in the Program that is issued by an FSA, Supervisor, Program Manager or authorized CAPMC personnel.

Child Care Agreement
The Child Care Agreement is the agreement for services based on the certified need, and authorizes the days and hours of child care and rate of reimbursement to the provider allowed by regulations. Parents and their child care provider must sign and return the Agreement within five (5) days of receiving it. Failure to do so will
result in payment not being made for services and the parent being responsible for payment. All parties who sign the Agreement concur with the terms and rates.

License-Exempt Provider Participation
Regulations require license-exempt providers to register with TrustLine within 30 days of submitting their application. CAPMC/APP cannot issue payment until the provider registers. TrustLine is a registry that checks for criminal convictions and the Child Abuse Index for reports of substantiated child abuse. Your provider has been informed that TrustLine requires submission of an application and fingerprints.

A notice will be sent to your provider with information on how to register with TrustLine and the due date by which it must be done. If you wish to select another license-exempt provider not registered with TrustLine, that provider will have 30 calendar days to submit an application and fingerprints, and become registered. The telephone number to reach TrustLine is 800-822-8490.

### Note: License-exempt providers who are the grandparent, aunt or uncle of the child(ren) in their care by blood, marriage, or court decree do not have to register with TrustLine to be paid for services, and must complete a Declaration of Exemption from the Health & Safety Self-Certification.

Family Fees
The CDE prepares a family fee schedule based on family income and size. Family fees are applied toward the cost of the family’s child care and are the family’s contribution to their child care services.

Family fees are either a flat monthly full-time fee or a flat monthly part-time fee and are based on the hours of care certified for the month, income and family size. Fees are based on the child who uses the most hours of care each month, which is usually the youngest child. Families with a certified need of less than 130 hours per month will be assessed a part-time fee, while families with a certified need of 130 hours or more per month will be assessed a full-time fee. Any changes in fees will be effective on the first of the following month.

When CAPMC/APP processes reimbursement for a family with family fees, the fee amount will be deducted from the provider’s reimbursement check for the month (the fee and reimbursement can be found on the voucher printout).

**Fee Collection**
The CDE requires that the family pay its fees to the provider in advance. Therefore, the family is required to pay the provider directly within the first five (5) days of the month. Family fees are found on NOAs, Attendance Sheets and Child Care Agreements.

Providers are responsible for collecting family fees from the family. The provider will fill out the pre-printed receipt on the back of the child’s Attendance Sheet (one receipt per family, written on the Attendance Sheet that has the fee amount printed on the front) when the fee is collected from the parent. This receipt will show the
total paid to the provider. Missing receipts will delay payment to the provider. Please contact your FSA or our Provider Specialist if you need help calculating the family fee.

If services are also being provided by another child care and development program in which the family is required to pay a family fee, a fee credit equal to the amount paid to the other provider may be granted. A receipt of payment to the other service provider must be submitted on a monthly basis and the parent will pay the difference. The credit will be applied to the family’s subsequent fee billing period and cannot be carried over beyond the subsequent fee billing period.

**Past Due Family Fees**
Termination of services can occur if family fees are not paid. CAPMC/APP will contact families who fail to pay their family fees and issue a *NOA* stating a Delinquency of Family Fee.

**Co-Payments**
You may choose a provider regardless of the provider’s rate. However, when a provider’s rate and other allowable charges exceed the maximum subsidy amount, the parent is responsible for paying the difference. This difference is considered the parent co-payment. CAPMC/APP is not responsible for collecting co-payments.

**Attendance**
*Attendance Sheets* for each child enrolled in subsidized child care are mailed before the beginning of the month to the child care provider. If *Attendance Sheets* are not received, a temporary document (i.e. a blank *Attendance Sheet*) can be used to document the days and exact times children were in and out of child care. The *Attendance Sheet* must remain with the provider and both parent and provider shall sign under penalty of perjury at the end of the month that everything on the *Sheet* is true and correct.

*Attendance Sign-In/Sign-Out Sheet*
Parents or the provider are required to sign the child(ren) in and out at the exact clock time on the *Attendance Sheet* every day of care. The provider shall enter the exact clock time of arrival or departure for school age or split schedule children, such as before and after school. Reimbursement for services is dependent on submission of evidence that care has been given, and this evidence is based on complete and accurate daily *Sign-in/Sign-out Sheets* that include the child’s name.

**Certified Hours**
Parents must follow the contracted hours on the *Child Care Agreement* and the *NOA*. Providers will be reimbursed based on the hours of services provided that are broadly consistent with the certified hours of need stated on the *Child Care Agreement*; any change in the parent’s approved level of service will be done through a *NOA*. **Any other days, hours, late fees, evenings, weekends, vacations, holidays or miscellaneous charges not certified by CAPMC/APP are the parent’s responsibility.**

**Policy on Utilization of Certified Child Care Schedule**
When a parent has a day of non-utilization (i.e. their child is absent from child care on a certified day of child care) s/he shall **write in the specific reason for the absence on the Attendance Sheet under the appropriate date**. When utilization of the certified child care schedule falls below the 80% threshold CAPMC will:
Limited-Term Service Leave
Limited-Term Service Leave may be granted when a family has no need for subsidized child care services for a short period of time such as for medical and *family leave, a break in employment, school break, child’s visit to a non-custodial parent not ordered by the court, or family vacation in excess of best interest days. Leave must be approved by an FSA, and families on leave will not be disenrolled from the Program.

Leave will not exceed 12 consecutive weeks in duration in a contract year or 16 consecutive weeks in a contract year if the leave is for medical or family leave, or a period when the vocational training program is not in spring, fall or winter session. A two (2) week notice shall be given to the provider, and the family will be considered self-terminated if notice is not given to the FSA prior to the end of the leave that they need services restarted. Provider payment will not be made while families are on leave; if a two (2) week notice is not given to the provider, the parent is responsible for payment.

*Family Leave is defined as the birth or care of a newborn child, placement of a child for adoption or foster care, the care of a child, or the care of a spouse or parent with a health condition.

Submitting Attendance Sheets or Attendance Invoice for Reimbursement
Attendance records must be submitted by the third day of the following month, no more than two (2) months after the due date for the month to be reimbursed, and no more than seven (7) days after the due date for the last month of the fiscal year (June). Late reimbursements will not be made for the last month of the fiscal year.

Fraudulently Completed Attendance Sheets-Withheld Reimbursements
The parent and provider must sign at the end of the month, attesting under penalty of perjury, that the information on the attendance record or invoice is accurate. CAPMC/APP will disallow reimbursement for the month of service in which inauthentic Attendance Sheets are submitted, and the parent will be responsible for paying their provider. A NOA will be issued to inform the parent of the decision for a reduction of reimbursement to their provider and possible termination for fraud. The provider will also be informed of the decision to withhold reimbursement. If a mistake is made on the Attendance Sheet, lineout the mistake, correct and initial. Please do not scratch out or use whiteout.

Provider Holidays/Facility Non-Operational Days
CAPMC/APP will provide payment for 10 non-operational days documented on the licensed facility’s contract and policy statement in a contract year (July 1-June 30). Examples of commonly chosen non-operational days are federal holidays and provider vacations. CAPMC/APP does not provide reimbursement when the provider is unavailable to provide services (e.g. due to illness or any day elected by the provider to not provide services that exceeds 10 non-operational days).
Provider Policies/Parent and Provider Relationship
Each child care provider sets policies for their program, not CAPMC/APP. It is the parent’s responsibility to obtain these policies and follow them to establish effective communication with the provider.

Notice to Change Provider
Parents must give a minimum two (2) week notice to CAPMC/APP and the provider if they self-terminate from the Program or want to change providers. If a two (2) week notice is not given and the parent stops taking the child(ren) to child care, the parents are responsible for paying the provider. The contract with the new provider will not become effective until after the end of the two (2) week notice. Families shall not change providers more than once in a contract year unless the change is due to serious and compelling reasons. Requests for more than one (1) change per year will be considered by the Program Manager on a case-by-case basis.

Multiple Providers
Parents are limited to one (1) provider except under the following conditions:

- The primary provider is unable to accommodate all hours of certified care;
- One (1) provider is a licensed center for the purpose of providing preschool; or
- The child is ill or the child’s primary provider is closed (in this case an eligible alternate provider can be reimbursed by CAMPC/APP for services provided).

Non-Attendance
Providers must drop the parent after three (3) consecutive days of non-attendance when there has been no contact with the parent. These days of non-attendance will be considered unexcused and the family will be processed for termination. Licensed providers may be reimbursed for up to two (2) weeks (10 days) drop notice; the three (3) unexcused days are included in the 10 days.

Causes for Termination
Termination from the Program may occur for the following reasons:

- Failure to meet subsidy requirements;
- Knowingly misrepresenting eligibility;
- Providing incorrect or inaccurate information to obtain a benefit that the parent would otherwise not be entitled to receive;
- Violating CAPMC’s policies and procedures; or
- Federal and/or state contract funding ends.
Family Rights and Grievance Process

Parental Choice
CAPMC/APP is a parental choice subsidy program which supports the parent’s rights and responsibility to select the most appropriate child care provider for their child(ren). State funding prohibits payment to providers whose services offer non-secular instruction or worship; therefore parents who chose a facility offering religious instruction or worship may only do so if funding is available from federal sources.

Parents Rights-Family Child Care Homes and Child Care Centers
Parents/Authorized Representatives have the right to:

1. Enter and inspect the family child care home or child care center without notice whenever children are in care.
2. File a complaint against the licensee with the Community Care Licensing Office.
3. Review the licensee’s public file kept by the Community Care Licensing Office.
4. Review reports of licensing visits and substantiated complaints against the licensee made during the last three (3) years at the family child care home or child care center.
5. Complain to the Community Care licensing office and inspect the family child care home or child care center without discrimination or retaliation against them or their child(ren).
6. Be notified and receive, from the licensee, a written notice that lists the name of any person not allowed in the family child care home or child care center while children are present. (NOTE: This notice is only required when the Department of Social Services has excluded someone in writing from the family childcare home or child care center on or after January 1, 2001).
7. Make a written request that a parent not be allowed to visit their child(ren) or take their child(ren) from the family child care home or child care center provided a certified copy of a court order has been shown.
8. Receive from the licensee the name, address and telephone number of the local licensing office.
9. Upon request, be informsed by the licensee of the name of any adult granted a criminal record exemption, and the type of association to the family child care home or child care center (the name of the person may also be obtained by contacting the Community Care Licensing Office).
10. Receive from the licensee, the Caregiver Background Check Process form.
11. Be informed, by the licensee, whether the facility has liability insurance or bond that covers injury to clients due to the negligence of the licensee or employees of the facility.

**Note: California state law states that the licensee may deny access to the family child care home or child care center to a parent/authorized representative if the behavior of the parent/authorized representative poses a risk to children in care.**

For the Department of Justice Registered Sex Offender database go to www.meganslaw.ca.gov

**Uniform Complaint Procedure**
Parents may file a complaint directly to the Early Education and Support Division for allegations of unlawful discrimination, harassment, intimidation or bullying by the CAPMC APP/R&R Program. Information for filing a complaint is available at http://www.cde.ca.gov/re/cp/uc/ucpbrochureaav.asp

**Complaint or Grievance against a CAPMC Staff Member**
First attempt to resolve the issue within 30 days of the incident by discussing it with the FSA or CAPMC/APP staff person involved. If the issue is not resolved, request a CAPMC Parent/Community Complaint Form and submit it within seven (7) days to the staff member’s supervisor, who will schedule a meeting to discuss the matter and submit a written resolution. If a satisfactory resolution is not reached, request a meeting with the Program Manager within five (5) days of the meeting with the supervisor. The Program Manager will issue a written response to the complainant within five (5) days after the meeting.

If a satisfactory resolution has not been reached, request a meeting with the Executive Director within five (5) days after the meeting with the Program Manager, stating the problem and desired solution. The complainant will receive a written response within 10 days of the meeting. If a satisfactory solution is still not met, the complainant has five (5) days after receipt of the Executive Director’s decision to request a hearing with the Executive Committee of the CAPMC Board of Directors. Upon conclusion of the hearing, the Executive Committee will issue a written response. If the complainant is still dissatisfied, s/he may request the issue be brought to the full CAPMC Board of Directors by submitting a written request to the Chairperson of the Board within three (3) days of receiving the Executive Committee’s decision. The Board of Directors will hear the complaint and render a final decision within five (5) days of the hearing.

**Complaints Against Licensed Providers**
Parents may contact R&R to register a complaint. The complaint will be documented in writing and the parent will be advised to contact the California Department of Social Services Community Care Licensing office in Fresno, California; R&R will be notified if the complaint is substantiated.
Complaints Against License-Exempt Providers

Parents may make complaints of non-compliance of health and safety issues against license-exempt providers by providing a written and signed complaint. CAPMC/APP will inform the provider of the complaint and advise the provider of their right to a written rebuttal. CAPMC/APP will notify the parent and provider that child care payments will cease in two (2) weeks unless both the parent and provider submit a written declaration stating that the health and safety deficiency has been corrected.

Appealing a NOA

Families have the right to appeal decisions made by CAPMC/APP that affect their participation in the Program. The procedure for the appeal process is detailed on the back of every NOA and must be followed to protect appeal rights. Please visit http://www.cde.ca.gov/sp/cd/ci/parentappealinformation.asp to read the Parent Appeal Information Pamphlet.

Parents have the right to have an authorized representative (AR) act on their behalf at the local appeal hearing. An authorization form to request an authorized representative is available and should be submitted with the appeal request, but any written or oral notice that an AR has been duly authorized by a parent is sufficient. Services can continue throughout the appeal process.

To appeal a NOA, file a request for a hearing within 14 days from the date the NOA was received. The request can be made in writing, in person, by calling 559-661-0779, by faxing 559-661-0764 or by emailing Idelano@maderacap.org. Notification of the time and place of the appeal hearing will be sent out within 10 calendar days; the appellant and/or their AR are required to attend the hearing. Failing to attend results in the abandonment of the right to appeal (postponement of an appeal hearing with prior notice is allowed one [1] time). A written decision will be sent to the appellant within 10 calendar days following the hearing. If the appellant disagrees with the written decision, s/he has 14 days to appeal to the CDD. The CDD will issue a written decision within 30 calendar days after receiving the appeal. If the appeal is denied, services will terminate immediately on the date of the written notice.

Confidentiality

Authorized CAPMC/APP representatives, fiscal auditors, legal/court ordered persons and the CDE are allowed access to family and child care providers files. The disclosure or release of any information that pertains to child care services is restricted to purposes that are directly related to the administration and delivery of our services. FSAs and other CAPMC/APP staff members do not provide information to outside sources.
SECTION II: PROVIDER INFORMATION & RESPONSIBILITIES

CAPMC/APP requires that all child care providers participating with eligible parents in our Program submit documentation before payment for child care services can begin. Therefore, if a parent begins using child care services before an authorized start date for subsidized payment or uses services after services have been terminated, the parent is responsible for payment of child care services.

Licensed Provider Participation Requirements

Licensed providers are required to:

• Provide a copy of their child care license(s) from California Department of Social Services Community Care Licensing Office and adhere to all CCL requirements.

• Provide a statement of current fees and/or rates that are normal, customary and charged to all families (private pay and subsidized). Rates can be updated once per contract year (July 1-June 30) during their annual re-certification date and will become effective the first day of the following month.

• Provide a copy of their contract and policies; policies can be updated once per contract year (July 1-June 30) during their annual re-certification date.

• Provide a copy of their Social Security Card or Federal Employer Identification Number (FEIN).

• Allow CAPMC/APP staff to make site visits to the home or facility during any contract hours.

• Complete and sign a tax identification form (W-9) annually.

• Sign the Child Care Agreement.

• Read the CAPMC/APP Parent & Provider Handbook and submit a signed Handbook Verification of Receipt.

• Operate the child care facility on a non-discriminatory basis, providing equal treatment and services without regard to race, color, creed, religion, sex, national origin, ancestry, physical or mental disability or any other category prohibited by law.

• Allow parents unlimited access to their child(ren) during normal hours of operation and whenever children are in care.
License-Exempt Provider Participation Requirements

A license-exempt provider is defined as a family member or friend 18 years of age or older in good health that cares for children from only one (1) family other than their own. Exempt providers are required to:

- Provide a copy of their valid California Driver License or state issued ID bearing the current address being used for child care.
- Provide proof of residence.
- Provide a statement of their rates; rates can be updated once in a contract year (July 1-June 30) during their annual re-certification date and will become effective the first day of the following month.
- A copy of their Social Security Card bearing their name.
- Complete and sign a Health and Safety Self Certification Form (CCP1 or CCP4).
- Complete and sign a tax identification form (W-9) annually.
- Sign the Child Care Agreement.
- Obtain a current CPR/First Aid Certificate within 30 days of enrollment.
- Have a current working phone number for contact and emergencies.
- Allow CAPMC/APP staff to visit the home or facility any time during contract hours.
- Allow parents unlimited access to their children during normal hours of operation and whenever children are in care.
- Read the CAPMC/APP Parent & Provider Handbook and submit a signed Handbook Verification of Receipt.
- Complete the TrustLine fingerprint background check and receive clearance within 30 days after submitting the application. CAPMC/APP cannot issue payment until the provider registers. TrustLine is a registry that checks for criminal convictions and the Child Abuse Index for reports of substantiated child abuse.

Information on how to get fingerprinted and the due date by which it must be done will be provided during the provider enrollment appointment. The telephone number to reach TrustLine is 800-822-8490.

Note: License-exempt providers who are the grandparent, aunt or uncle of the child(ren) in their care by blood, marriage, or court decree do not have to register with TrustLine to be paid for services, and must complete a Declaration of Exemption from the Health & Safety Self-Certification.
**Child Care Agreement-Certificate for Services**

A Child Care Agreement is issued after the provider has completed the required documents. The Agreement authorizes the days and hours of child care. Reimbursement rates are based on certified need not to exceed the provider’s full-time monthly rate or applicable monthly ceiling established by regulations for subsidized care, whichever is lower. All parties who sign the document concur with the terms and rates.

Parents and their child care provider must sign and return the Agreement within five (5) calendar days of receiving it or payment will be the parent’s responsibility. It is the provider’s responsibility to make a copy for their records and it is the parent’s responsibility to make sure the signed Agreement is returned to the CAPMC/APP office.

Updates to the signed Child Care Agreement may occur periodically due to changes in the parents’ schedule and need. In such cases, providers will be issued an update to the Agreement and the parents will be issued a NOA indicating the change.

**Attendance**

Attendance Sheets for each child enrolled in subsidized child care will be mailed before the beginning of the month to the provider. If Attendance Sheets are not received, a temporary document (i.e. a blank Attendance Sheet) can be used to document the days and exact times children were in and out of child care. The Attendance Sheet must remain with the provider and both parent and provider shall sign under penalty of perjury at the end of the month that everything on the Sheet is true and correct.

**Attendance Sign-In/Sign-Out Sheet**

Parents or the provider are required to sign the child(ren) in and out at the exact clock time on the Attendance Sheet every day of care. The provider shall enter the exact clock time of arrival or departure for school age or split schedule children (e.g. before and after school). Reimbursement for services is dependent on submission of evidence that care has been given, and this evidence is based on complete and accurate daily sign-in/sign-out Sheets that include the child’s name.

**Certified Hours**

Parents must follow the contracted hours on the Child Care Agreement and the NOA. Providers will be reimbursed based on the hours of services provided that are broadly consistent with the certified hours of need stated on the Child Care Agreement; any change in the parent’s approved level of service will be done through a NOA. Any other days, hours, late fees, evenings, weekends, vacations, holidays or miscellaneous charges not certified by CAPMC/APP are the parent’s responsibility.

**Policy on Utilization of Certified Child Care Schedule**

When a parent has a day of non-utilization (i.e. their child is absent from child care on a certified day of child care) s/he shall write in the specific reason for the absence on the Attendance Sheet under the appropriate date.

When utilization of the certified child care schedule falls below the 80% threshold CAPMC will:
Fraudulently Completed Attendance Sheets-Withheld Reimbursements
The parent and provider must sign at the end of the month, attesting under penalty of perjury, that the information on the attendance record or invoice is accurate. CAPMC/APP will disallow reimbursement for the month of service in which inauthentic Attendance Sheets are submitted and the parent will be responsible for payment to the provider. A NOA will be issued to inform the parent of the decision for a reduction of reimbursement to their provider and possible termination for fraud. The provider will also be informed of the decision to withhold reimbursement. If a mistake is made on the Attendance Sheet, lineout the mistake, correct and initial. Please do not scratch out or use whiteout.

Provider Holidays/Facility Non-Operational Days
CAPMC/APP will provide payment for 10 non-operational days documented on the licensed facility’s contract and policy statement in a contract year (July 1-June 30). Examples of commonly chosen non-operational days are federal holidays and provider vacations. CAPMC/APP does not provide reimbursement when the provider is unavailable to provide services (e.g. due to illness or any day elected by the provider to not provide services that exceeds 10 non-operational days).

Provider Policies/Parent & Provider Relationship
Each child care provider sets policies for their program, not CAPMC/APP. It is the parent’s responsibility to obtain these policies and follow them to establish effective communication with the provider.

Percentage of Subsidized Children Enrolled
Regulations limit the number of subsidized children enrolled in any home, center or school to 75% of its capacity. CAPMC/APP must be notified if this limit is reached to determine if this rule can be waived due to lack of licensed care in the area or the facility meets special needs of the particular child.

Notice of Termination
Parents must give a minimum two (2) week notice to CAPMC/APP and the provider if they self-terminate from the Program or want to change providers. If a two (2) week notice is not given and the parent stops taking the child(ren) to childcare, the parents are responsible for paying the provider.

Non-Attendance
Providers must drop the parent after three (3) consecutive days of non-attendance when there has been no contact with the parent. These days of non-attendance will be considered unexcused and the family will be processed for termination. Licensed providers may be reimbursed for up to two (2) weeks (10 days) drop notice; the three (3) unexcused days are included in the 10 days.
Payment/Reimbursement Procedures
Providers are self-employed independent contractors chosen by enrolled families to provide child care services. Providers contracted with CAPMC/APP are not employees of CAPMC and are responsible for their own tax reporting and liabilities (CAPMC will issue a 1099 Miscellaneous Income Statement for all payments totaling $600.00 or more in a tax year).

Rates
Providers are paid based on the rates they charge parents who pay privately (non-subsidized parents) and are subject to the Regional Market Rate (RMR) ceiling established for every county by the CDE. The RMR ceilings for child care providers are the maximum amount child care programs can be paid from the state for subsidized children, and it is fraudulent to charge different rates to parents on subsidized child care and to parents who are not. Providers will be paid based on the rate on the signed Child Care Agreement.

Reimbursement for License-Exempt Providers
Hourly Rate up to Full-Time Monthly maximum

Evening/Weekend Rate for Licensed Providers
Rate adjustments for after hour care apply to license providers when “after hour” services include 10% or more of the total hours of care used, when services occur between the hours of 6:00 pm and 6:00 am and/or weekends, and the provider has an evening/weekend rate normally charged to all parents in their contract filed with CAPMC/APP.

Submitting Attendance Sheets or Invoice for Reimbursement
Attendance Sheets are the primary source for child care reimbursement and auditing purposes. Attendance records must be submitted by the third day of the following month, no more than two (2) months after the due date for the month to be reimbursed, and no more than seven (7) days after the due date for the last month of the fiscal year (June). Late reimbursements will not be made for the last month of the fiscal year. Attendance Sheets can be delivered to CAPMC/APP during business hours, delivered to the APP drop box located on the east side of the CAPMC building, or mailed to 1225 Gill Ave, Madera, CA 93637.
Late Attendance Sheets

Attendance Sheets received by CAPMC/APP after the due date will be considered late and will not be processed for payment until the pay date for the following month according to the Attendance Sheet & Payment Schedule. Late payments will not be reimbursed for the last month of the fiscal year.

Payment Schedule

Payment is made once a month on the third Friday via mailed check or direct deposit (pay dates can be found on the Attendance Sheet & Payment Schedule). CAPMC/APP recommends that providers choose direct deposit for their reimbursement for optimum timeliness and safety of funds; checks cannot be picked up at the CAPMC office.

Funding Sources

CAPMC/APP reserves the right to alter the Attendance Sheet & Payment Schedule in the event of a delayed allocation from its funding source. CAPMC/APP will notify parents and providers in case of such an event.

Lost Checks

Payment will be stopped and CAPMC will reissue checks 10 working days after the date the checks were originally mailed.

Inaccurate Reimbursement

In case of inaccurate reimbursement, please contact the family's FSA. The payment will be audited and any necessary adjustments can take up to 15 business days to be issued.
**Family Fees**
The CDE prepares a family fee schedule based on family income and size. Family fees are applied toward the cost of the family’s child care and are the family’s contribution to their child care services.

Family fees are either a flat monthly full-time fee or a flat monthly part-time fee and are based on the hours of care certified for the month, income and family size. Fees are based on the child who uses the most hours of care each month, which is usually the youngest child. Families with a certified need of less than 130 hours per month will be assessed a part-time fee, while families with a certified need of 130 hours or more per month will be assessed a full-time fee. **Any changes in fees will be effective on the first of the following month.**

When CAPMC/APP processes reimbursement for a family with family fees, the fee amount will be deducted from the provider’s reimbursement check for the month (the fee and reimbursement can be found on the voucher printout).

**Fee Collection**
The CDE requires that the family pay its fees to the provider in advance. Therefore, the family is required to pay the provider directly within the first five (5) days of the month. Family fees are found on NOAs, Attendance Sheets and Child Care Agreements.

Providers are responsible for collecting family fees from the family. The provider will fill out the pre-printed receipt on the back of the child’s Attendance Sheet *(one receipt per family, written on the Attendance Sheet that has the fee amount printed on the front)* when the fee is collected from the parent. This receipt will show the total paid to the provider. Missing receipts will delay the provider’s payment. Please contact your FSA or our Provider Specialist if you need help calculating the family fee.

If services are also being provided by another child care and development program in which the family is required to pay a family fee, a fee credit equal to the amount paid to the other provider may be granted. A receipt of payment to the other service provider must be submitted on a monthly basis and the parent will pay the difference. The credit will be applied to the family’s subsequent fee billing period and cannot be carried over beyond the subsequent fee billing period.

**Past Due Family Fees**
Termination of services can occur if family fees are not paid. CAPMC/APP will contact families who fail to pay their family fees and issue a NOA stating a Delinquency of Family Fee.

**Co-Payments**
When the provider’s rate and other allowable charges exceed the maximum subsidy amount, the parent is responsible for paying the difference. The difference is considered the parent’s co-payment. CAPMC/APP is not responsible for collecting co-payments.
Provider Rights and Grievance Process

Complaint or Grievance Against a CAPMC Staff Member
First attempt to resolve the issue within 30 days of the incident by discussing it with the FSA or CAPMC/APP staff person involved. If the issue is not resolved, request a CAPMC Parent/Community Complaint Form and submit it within seven (7) days to the staff member’s Supervisor, who will schedule a meeting to discuss the matter and submit a written resolution. If a satisfactory resolution is not reached, request a meeting with the Program Manager within five (5) days of the meeting with the supervisor. The Program Manager will issue a written response to the complainant within five (5) days after the meeting.

If a satisfactory resolution has not been reached, request a meeting with the Executive Director within five (5) days after the meeting with the Program Manager, stating the problem and desired solution. The complaint will receive a written response within 10 days of the meeting. If a satisfactory solution is still not met, the complainant has five (5) days after receipt of the Executive Director’s decision to request a hearing with the Executive Committee of the CAPMC Board of Directors. Upon conclusion of the hearing, the Executive Committee will issue a written response. If the complainant is still dissatisfied, s/he may request that the issue be brought to the full CAPMC Board of Directors by submitting a written request to the Chairperson of the Board within three (3) days of receiving the Executive Committee’s decision. The Board of Directors will hear the complaint and render a final decision within five (5) days of the hearing.

Limits of Provider Participation-Minimum Wage Law
Since child care providers are independent contractors and not employees of CAPMC, CAPMC is not responsible for federal and state tax obligations. Please note that in California, parents may be considered to be the employer of the child care provider (domestic service worker) and as such, may be responsible for minimum wage, social security taxes, state workers compensation requirements, and unemployment taxes for in home care. If necessary, CAPMC will require a minimum number of children in care at the same time by an in-home (child’s home) license-exempt provider to comply with the Fair Labor Standards Act (FLSA). The number of children is subject to change based on current minimum wage plus rates allowed for the payment.

Rejection of Provider Participation
Providers may be denied an agreement for services if a child care setting is deemed a health and/or safety threat or consideration to children or a provider has a criminal record that would be detrimental to the provision of child care services.
Termination of Provider Participation

A provider’s agreement for services will be terminated for any of the following:

- If the license-exempt provider is denied clearance by TrustLine,
- For non-conformity with licensing regulations,
- If the license is under a temporary suspension order or has been revoked,
- For submission of false information,
- For failure to provide pertinent information,
- For threatening or inflicting of physical/verbal abuse on staff, parents or children,
- In case of refusal to provide access to CAPMC staff or parents, or
- For failure to comply with the laws, rules or regulations established by the State of California or the federal government.

Confidentiality

Authorized CAPMC/APP representatives, fiscal auditors, legal/court ordered persons and the CDE are allowed access to family and child care providers files. The disclosure or release of any information that pertains to child care services is restricted to purposes directly related to the administration and delivery of our services. FSAs and other CAPMC/APP staff members do not provide information to outside sources.

SECTION III: CAPMC/APP FRAUD PREVENTION

Fraud Defined

Fraud is defined as:

- Intentionally providing false or misleading information on participant agreements and/or eligibility and need documentation (e.g. employment verification forms, check stubs, training verification forms, provider contract agreements, provider rate sheets, family size, increased income not reported, other parent related to child in home, no need for care, care is being done by person other than provider of record, child not dependent of parent).

- Intentionally failing to notify your Family Services Associate of changes in your work or school schedule to avoid a reduction in or denial of benefits for services or payments provided by CAPMC.

- Alteration or forgery of any eligibility or need documents.

- Claiming to have received child care services that you know your family has not received and/or that your provider of record has not given.

- In any way, intentionally providing misleading information, documentation and/or statements regarding your child care eligibility or need.
Fraud Policy

- If services are received by willful and intentional misrepresentation or withholding of pertinent eligibility or need information, CAPMC will hold the parent accountable and immediately terminate the family from the Program.

- CAPMC partners with the Madera County District Attorney’s office and other law enforcement agencies to investigate and prosecute fraudulent activity.

- If substantiated, intentional misrepresentation is found against a provider, the provider will be permanently ineligible to receive subsidized child care reimbursements.

- CAPMC will act to recover any misappropriated funds, including those services provided during any appeal process. Parents are responsible for reimbursing CAPMC for costs of services fraudulently obtained. CAPMC will issue an overpayment letter to collect the money directly from parents who it determines have obtained services fraudulently. If parents dispute the amount of the overpayment, CAPMC will provide the opportunity for review of the overpayment, but CAPMC does not re-hear the original termination issues.

- Limit of Future Services:
  - **CAPP & CalWORKS Stage 3 Families:** After repayment of funds for services obtained through fraud, parents in either CAPP or CalWORKS Stage 3 contracts are prohibited from future services for a period of one (1) year from the date of the receipt from CAPMC indicating repayment was made in full.
  - **CalWORKS Stage 2 Families:** In agreement with the Madera County Department of Social Services, after repayment of funds for services obtained through fraud has been made, parents in CalWORKS Stage 2 contracts are eligible for future services with no probation period.

Harassment Policy

Any person who makes threats against, harasses, uses profane language, destroys property, verbally or physically abuses or endangers the safety of any child(ren), parent, provider, CAPMC staff member or representative will be immediately terminated from the Program and will be permanently ineligible to receive subsidized child care reimbursements.
Acknowledgement of Receipt of Written Policies
