YOU HAVE THE RIGHT TO:

- **Ask for the Status and Results** of the analysis of all evidence related to your assault.
- **Ask the law enforcement officer for a tracking number** and steps to get follow up information.
- **Know that DNA and other types of evidence can degrade/break down overtime due to exposure to heat, water, and other materials.** In general, DNA evidence on the body last from 12 hours to 7 days.

YOU HAVE THE RIGHT TO BE INFORMED OF THE FOLLOWING:

- Whether or not the evidence is analyzed within 18 months of your assault.
- Whether or not a DNA profile of your assailant was developed from the evidence.
- Whether or not the DNA profile of your assailant has been entered into the law enforcement database.
- Whether or not the DNA profile of your assailant matches a DNA profile contained in the law enforcement database.

If the evidence related to your assault will be tested, it should be transported to the lab and analyzed within **24 MONTHS**

The evidence related to your assault must be kept for **20 YEARS**, or for victims under age 18 at the time of the offense, until your 40th birthday

You have the right to request in writing and receive a **FREE COPY OF THE INITIAL CRIME REPORT** related to your assault.

If your assailant is convicted and required to register as a sex offender, you have the right to **REQUEST THEIR SEX OFFENDER REGISTRY INFORMATION** from the prosecutor.

Any questions related to your rights as a survivor of sexual assault can be answered by your rape crisis center confidential advocate.

Advocates are trained in support services, local referrals, and law enforcement and other government processes.
