About Us

As a public non-profit 501(c)(3) organization, Community Action Partnership of Madera County, Inc. (CAPMC) has been dedicated to igniting positive community and individual level change since its inception in 1965. For over five decades, CAPMC has emerged as a force of empowerment, amplifying the voices of the "at-risk" and "invisible" populations.

CAPMC's approach is not merely reactive but strategic, channeling resources into goal-oriented interventions that pave the way for lasting impact. While we extend a helping hand in times of crisis, our true mission is to cultivate a thriving community by providing families with a safe and healthy environment, challenging individuals to achieve prosperity, and fostering personal growth and independence.

As Madera County's anti-poverty agency, CAPMC serves the low to moderate income residents annually through a broad spectrum of programs and resources. At the cusp of its 60th anniversary, CAPMC - as *part of the National Community Action network* - stands as a pillar in the vitality of Madera County, proving an unwavering spirit of hope through an array quality services and a multitude of anti-poverty programs.

Community Services Block Grant (CSBG) is a federally funded grant that provides funding to Community Action Agencies to help alleviate poverty for 60 years. CSBG funded services and activities including housing, nutrition, utility, and transportation assistance; employment, education, and other income and asset building services; crisis and emergency services; and community asset building initiatives, among other things.

CSBG federal funding supports organizational standards that provide the foundation of governance at CAPMC, requiring that CAPMC Board must have a tripartite structure: one-third democratically selected representatives of low-income individuals and families who reside in the geographic area served by the agency, one-third local elected officials (or their representatives), and one-third private sector community members. This balanced board is essential for effective organizational guidance, compliance with fiduciary responsibilities as a board, and the performance of CAPMC's programs.

Message From The Executive Director

Celebrating 60 Years of Service: A Legacy of Compassion and Impact

Dear Staff, Friends and Supporters,

As we celebrate 60 years of service to the Madera County community, we reflect on the extraordinary journey of the Community Action Partnership of Madera County, Inc. (CAPMC). Since our founding, we have been committed to empowering individuals and families to achieve self-reliance and build a brighter future. This milestone is not just a celebration of time, it is a testament to the lives we've touched, the challenges we've overcome, and the enduring strength of our community.

Over the past year, despite the many obstacles we've faced, your unwavering support has been the cornerstone of our success. Thanks to you, we've been able to provide essential programs that have made a lasting difference for thousands of individuals. Whether it's helping someone secure safe shelter, offering life-changing counseling services to survivors of domestic violence, or providing educational opportunities to children in need, your commitment has helped make it possible.

This year alone, we've seen countless stories of transformation. Families are finding hope where there was once despair, individuals are discovering new pathways to self-sufficiency, and our community is growing stronger together.

But our work is far from over. As we look toward the future, we remain dedicated to expanding our programs, reaching more families in need, and ensuring that no one in Madera County is left behind. The road ahead is one of opportunity, and with your continued support, we know we can achieve even greater things.

We are deeply grateful to every volunteer, donor, partner, and advocate who has joined us in this mission. You are an integral part of the success we've experienced over these 60 years, and together, we will continue to build a future where everyone in our community can thrive.

Thank you for your dedication, your generosity, and your belief in the power of community. Together, we are helping people, changing lives, and shaping a brighter future for all.

Here's to the next 60 years and beyond!

In Service,

Mattie Mendez

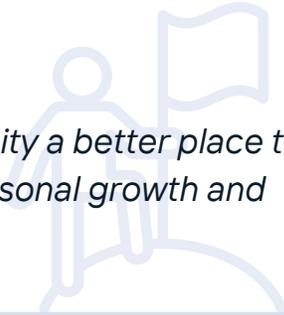

Executive Director
Community Action Partnership of Madera County, Inc. (CAPMC)

Information Technology

Community Action Partnership of Madera County, Inc. (CAPMC) has expanded its network infrastructure environment within the past two years creating a WAN amongst all the remote offices and Head Start schools. By establishing this environment, CAPMC continues to improve communication and collaboration amongst all staff.

CAPMC is currently utilizing Microsoft 365 and has implemented the use of Microsoft 365's Viva Engage platform to increase employee communication. After adopting the tool agencywide, staff members have expressed positive feedback on the use of Viva Engage. The Agency's Intranet, known as CAPnet, has played a key role in communication with all CAPMC staff. The CAPMC IT Department will continue to enhance and facilitate ease of access to CAPnet for staff to obtain crucial information and documents. CAPMC IT Department will continue improving communication with the use of the current tools and software and by identifying new opportunities for consistent communication and collaboration among staff.

Child Care Alternative Payment and Resource & Referral Program (APP/R&R)

Resources & Referral provided technical assistance to two parents receiving subsidized child care services as they embarked on the process of obtaining their child care license. Both individuals shared similar backgrounds and expressed concerns about leaving their full-time jobs to start their own businesses. We took the time to walk them through the licensing process, reassuring them that success was achievable while also discussing the potential risks of running a child care business.

Our support included reviewing their applications, assisting with reimbursements for expenses such as CPR/First Aid training, application fees, and other startup expenses. Both parents obtained their licenses in January, and since then, they have enrolled children in their day care. They are actively participating in our workshops and have built connections with other providers. Most importantly, they are now able to care for their own children while caring for others, which was the reason behind their decision to open a daycare.

Child Care Alternative Payment and Resource & Referral Program (APP/R&R)

Child Care Alternative Payment is excited to share the success story of one of our parents, Dulce, who is in the process of completing the Registered Nurse (RN) program while receiving subsidized child care services. Initially supported by Victim Services, she was then referred to us for child care assistance. With this support, she was able to focus on her education, and now, she is on her way to completing the final requirement for the RN Program, passing the National Council Licensure Examination for RN.

Dulce

CHILD CARE ALTERNATIVE PAYMENT (APP) PARTICIPANT

To whom it may concern,

As a single mother with two children, balancing my responsibilities has been a challenge, but the assistance I've received for daycare throughout my nursing program has been a true lifesaver. The support provided has made it significantly easier for me to attend classes, complete clinical rotations, and dedicate time to studying. Knowing that my children are in a safe and supportive environment while I focus on my education has alleviated a huge burden. I am incredibly grateful for this help, as it has allowed me to pursue my nursing career with confidence and peace of mind, knowing that I can give both my academic work and my family the attention they deserve. This assistance has truly been invaluable in making my journey as a nursing student both manageable and fulfilling. I cannot express how grateful I am for this program that is provided to many of us in need. Thank you!

Accomplishments for Shunammite Place

- ◆ One youth client completed his GED and is now working on the process of obtaining his driver's license.
- ◆ Staff assisted thirteen clients that moved into the Shunammite Place program during the program year to obtain General Assistance benefits. Staff assisted them with the application process and referral, with transportation to appointments, faxing all pertinent documents to their Eligibility Workers at Department of Social Services and their therapists at Behavioral Health, and follow up.
- ◆ Four clients obtained IHSS services. This is a tremendous help to the client's health and well-being needs because their physical health is deteriorating. With the assistance of their IHSS workers, the clients are able to accomplish their activities of daily living. Staff assisted these clients with the application process and referral, transportation to appointments, faxing all pertinent documents to the IHSS office, and follow-up.
- ◆ Staff assisted four clients with maintaining active with their Social Security case. Staff assisted these clients with the application process, transportation to doctor appointments, and faxing all pertinent documents to the Analyst at Department of Social Services and their disability advocate.
- ◆ Five clients volunteer with their church by passing out food to the community once a month. Three clients volunteer with their church at the Madera Rescue Mission and serve the clients of the Madera Rescue Mission.
- ◆ One client volunteers at the local soup kitchen seven days a week.
- ◆ Most clients are active in maintaining their doctor appointments, dentist appointments, and Behavioral Health appointments.
- ◆ Shunammite Place partners with the local Madera County Food Bank and the clients obtain a food box once a month. Most clients request a food box on a monthly basis. Staff contacts the Madera County Food Bank to request the food box, picks up the food box, and delivers the food box to the client's home.

Community Services

The Homeless Engagement for Living Program (HELP) Center in Madera County stands as a beacon of hope for individuals and families experiencing homelessness, offering essential support and services to help them regain stability. Dedicated staff work tirelessly to form meaningful partnerships with participants, guiding them toward stable housing and self-sufficiency. By assisting clients in becoming "document ready," the HELP Center ensures they have the necessary identification and paperwork to access vital resources. Through comprehensive wraparound services, individuals receive the support needed to address immediate challenges while paving the way for long-term success. As an Access Site and the Coordinated Entry System for Madera County, the HELP Center plays a crucial role in connecting clients to housing and supportive programs tailored to their needs. Collaborating closely with local agencies, staff link individuals and families to essential resources that foster economic independence. With compassion and dedication, the HELP Center serves as a catalyst for positive change, empowering those facing homelessness to reclaim control over their lives and build a brighter, more stable future.

The HELP Center is a proud member of the Fresno Madera Continuum of Care (FMCoC).

Hartono

HELP CENTER PARTICIPANT

Hartono became homeless in 2021 after losing his housing when his mother passed away. Without a job, he struggled to secure a place of his own and faced numerous challenges in obtaining the necessary documentation. Despite these obstacles, he remained determined and worked through each barrier. His persistence paid off when he was finally able to secure permanent supportive housing, giving him the stability and security he had long hoped for.

David

HELP CENTER PARTICIPANT

David became homeless in Oakhurst in 2017 after struggling with insufficient funds and having no family to turn to. Relying solely on his limited SSI income, he faced years of hardship, unsure if he would ever find stability. With determination and the support of the HELP Center, he navigated resources and housing programs. His perseverance paid off when he secured permanent supportive housing, finally gaining a safe and stable place to call home.

Laura

VICTIM SERVICES PARTICIPANT

Laura, a victim of physical assault, came in for services June 2024. She had previously reported to law enforcement and referred to us for advocacy during the criminal case.

The defendant, her 29-year-old son, was under the influence of drugs and had been aggressive towards Laura; He was throwing things in the home. Laura's nephew had stepped in to try to stop the defendant. The defendant challenged him to a fight. He couldn't calm him down, so he had to hold him down. Defendant had been aggressive and threatening towards Laura a couple of days prior, he threatened to kill her with a kitchen knife, calling her a witch, and yelling that he was going to destroy her. Laura was so afraid that she slept in her vehicle instead of in the home. This time, Laura called law enforcement. They took him into custody and provided her an emergency protective order.

An Advocate assisted her in setting up Victim Information & Notification Everyday (VINE) for defendant's release because she was worried about him coming back around to her home since he lived there too. The Advocate explained the criminal justice process to her and the purpose of criminal protective order; she was interested in receiving this protection. The Advocate requested a criminal protective order for Laura to the district attorney's office. At the next court date there was a no-contact criminal protective order issued for Laura.

The Advocate was able to meet later that week, went over the criminal protective order with her in detail, and explained how to or when to report violations. Sentencing was to occur in August 2024, but was postponed because the defendant refused to meet with probation for the recommendation report. The court ended up referring the defendant to a psychiatrist for a mental examination. The criminal proceedings were suspended after the defendant was found incompetent.

After explaining to Laura what it meant to suspend the criminal proceedings, she believed that it was in the best interest for the defendant. The Advocate later provided the transportation information to the hospital he would be admitted to. Laura felt relief knowing how the case ended and is currently focusing on her health and work so she can provide for herself and her family.

In 2023, the Madera County CAC successfully secured funding to fully establish a state-of-the-art medical forensic exam room, onsite, to conduct acute and non-acute forensic exams - *the first of its kind for Madera County*. In partnership with Central Valley Forensic Nursing Specialists, Inc. (CVFNS), Sexual Assault Nurse Examiners (SANEs) will provide information and access to forensic medical evaluations onsite and at no cost to child abuse victims ages 0 - 18 for the purpose of collecting DNA evidence. Additionally, CVFNS will make referrals as necessary for medical follow-up to ensure the safety and well-being of the child. The CAC, CVFNS SANEs and the MDT are available 24 hours a day 7 days a week to provide direct forensic medical services. Providing onsite medical forensic exams will allow the Madera County CAC to facilitate continuation of care and wrap-around services for child abuse survivors and their families.

The Strengthening Families Program (SFP) is an evidence-based family skills training program for high-risk and general-population families that is recognized both nationally and internationally. Parents and youth attend weekly SFP skills classes together, learning parenting skills and youth life and refusal skills. They have separate class training for parents and youth the first hour, followed by a joint family practice session the second hour. The purpose of the SFP is to enhance family relationships, communication, and parenting skills while reducing risk factors that contribute to substance abuse, delinquency, and other behavioral problems in children and adolescents. SFP aims to promote positive family functioning, resilience, and protective factors that support healthy child development and prevent the onset of social, emotional, and behavioral challenges.

Positive Parenting Program (Triple P) is a evidence-based parenting intervention designed to equip parents and caregivers with the skills and strategies needed to raise confident, resilient, and well-adjusted children. The program offers a comprehensive framework of evidence-based techniques and resources aimed at promoting positive parent-child relationships, preventing behavioral problems, and enhancing child development. Its purpose is to empower parents to effectively manage common parenting challenges, such as disobedience and aggression, while fostering a nurturing and supportive family environment. By providing practical tools and support, Triple P aims to reduce parental stress and promote positive outcomes for both parents and children, ultimately contributing to healthier, happier families.
